Note: This affidavit for restitution must be completed and returned to the County Attorney's Office as soon as possible. If you do not wish to claim any restitution from the defendant, please check the appropriate box and return. Failure to claim restitution will not result in the loss of the right to pursue any other civil remedy available by law.

THIS FORM MUST BE RETURNED TO: Jackson County Attorney, 405 Fourth Street,
Suite 2D, Jackson, MN 56143 **IN ORDER TO REQUEST A RESTITUTION
JUDGMENT.**

NOTE TO VICTIM:

In order for your Request for Restitution to be considered by the Court under M.S. § 611A.04, the request must be received in Affidavit form by the Court Administrator or the appropriate Court at least three (3) business days before the sentencing or disposition hearing. It is therefore important that you, as the victim, determine the amount of loss and submit the request to my office for filing with the court as soon as possible.

The law provides that this request can be made but there is no guarantee that any restitution will be ordered or paid. The restitution provision by the Court in no way bars your rights to proceed in any other action in a civil court against the defendant or others on to the same issues. Credit for any restitution would be given in any subsequent civil action if restitution is in fact paid in the criminal action.
