This permit may require an onsite inspection to verify that it meets the setback regulations.

Construction activity disturbing one acre or more of land is required to obtain an MPCA Storm Water Permit. Contact 1-800-646-6247

Heron Lake Watershed District: If your project is located in the watershed, call the District Office at 793-2462 for additional rules & regulations.

Notice Concerning Electrical Wiring: Our building permit does not include electrical wiring. A separate request for electrical inspection must be filed with the Board of Electricity at or before the start of any electrical wiring. An owner may install wiring only on premises he occupies as a residence or will occupy as a residence upon completion of construction. It is unlawful for any person to assist an owner in installing electrical wiring unless that person is a properly licensed employee of a licensed electrical contractor and the electrical contractor has agreed to do the work. An owner may not install electrical wiring on residential property that is rented, leased, or occupied by others. If you have questions, please contact Luke Pieske, (507) 316-8664.

HANDICAPPED ACCESSIBILITY CODE: I understand that this permit is subject to the Minnesota Handicapped Accessibility Code Review and Inspection, which will be billed to me on time and material basis.
