to consider the petition of New Vision Co-op to outlet unassessed lands in section 35 of LaCrosse Township to Judicial Ditch 2. The hearing will also consider the unauthorized use of Judicial Ditch 2 by the Martin E. & Jean R. Bunge Trust lands in section 35 of LaCrosse Township.

The Drainage Authority will consider the petition and other evidence to determine whether the requested outlet will add drainage water to the system that will either overwhelm the capacity of the system or deprive other benefitted landowners of the utility of the drainage system. The Drainage Authority will also consider an outlet fee if the outlet is granted and the amount of benefits to the property to pay future costs on the drainage system. The purpose of the public hearing is to take public comment concerning the proposed outlet. Interested members of the public are invited to appear and provide comment.

A copy of the petition is available for viewing by contacting the Office of the Jackson County Drainage Coordinator at (507) 847-2763 or by visiting the office at the courthouse at 405 – 4th Street, Jackson, MN.
